

# Why REDCap?

- CTSA grant, awarded in June 2011, funded a 1.0 FTE REDCap support position and identified REDCap as the best tool for investigators to:
  - Protect confidential data
  - Enjoy the integrity of their data
  - Reach the goal of CTSA to predict, prevent and treat human disease
- PSU internal review
  - Desire to improve security around human subjects data management
  - Data Security and Integrity Policy
  - Data Management Plan
- Compliant with the Data Security and Integrity Policy
- Provides a environment capable for researchers wishing to be compliant with 21 CFR Part 11
- REDCap Consortium provides resources for performing a system validation required for Part 11 compliance
