

REDCap Governance

- Research Informatics (IT) and CTSI leadership developed governance model and determined the scope of expertise needed, then invited key stakeholders from those areas
- The REDCap Advisory Group was formed to ensure:
 - Researcher buy-in
 - Compliance with Quality Assurance
 - Representation from main campus
 - Representation from cross-functional areas of subject matter experts
- Group now meets monthly to decide on:
 - Data Management Policies and Procedures
 - REDCap feature implementation decisions
 - Monitoring REDCap resources
